**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING EXTENSION IN SCHEDULE FOR
909 AREA CODE AUDIT REPORT**

This ruling is issued in response to the letter dated October 15, 2001 to Executive Director Wesley M. Franklin regarding the request of the Commission's Telecommunications Division Director to extend the due date for the Audit Report on the 909 Area Code Numbering Resources. As noted in the letter, an extension is requested in the due date from October 15 to November 19, 2001. The extension is needed because Telecommunications Division has not received requested data from carriers in a timely fashion.

Pursuant to Rule 48(a) of the Commission's Rules of Practice and Procedure, requests for extensions of time limits established by an Administrative Law Judge's (ALJ) ruling may be made orally or by letter to the ALJ. In this instance, the authorization and schedule for conducting the 909 Area Code Audit Report was issued through an ALJ Ruling dated June 14, 2001.

Telecommunications Division's request for an extension of time in the due date for the 909 Area Code Audit Report until November 19, 2001 is hereby granted. In accordance with Rule 48(a), the ALJ may confirm the extension in a written ruling served on all parties of record. This ruling provides such confirmation.

IT IS RULED THAT the due date for the Audit Report on the 909 Area Code Numbering Resources as previously set by Administrative Law Judge's Ruling dated June 14, 2001 is hereby extended from October 15 to November 19, 2001.

Dated October 19, 2001, at San Francisco, California.
